Watch as this  
dirty director  
focuses on  
the internal  
emotion...

"I just can't help it," Ashlynn moans, airing out her pussy in her dressing room. "I can't help but feed my pussy with every craving," she musters, diddling her clittle with the purple prop.

"Directing gets me so much wetter sometimes. Watching how glossy the girls' pussies get when they're getting rammed with a massive mast gets me so soaked." The brainy blonde boasts—gentle plugging the toy in her tight tunnel.

"Mmmm...fuck yeah! I miss hamming it up for the camera," She whimpers, twisting and turning the bauble until streams of her lady luster is pouring down her legs.

"I loved biting down on my lips whenever I was about to cum," Ashlynn stutters, finally relaxed from her backstage banging.

Licking her sweet cream from the staff, she whispers, "I guess it's true what they say: You can take the woman out of porn, but you can't take the porn out of the woman."

**POWERFUL EROTIC SUBLIMINAL MESSAGES WORK WHETHER YOU'VE KNOWN HER 10 MINUTES OR 10 YEARS!**

You simply play the CD or Tape as background music to the woman you desire. She will only hear the music. Within minutes, hundreds of hidden erotic sexually stimulating messages are pumped deep into her subconscious mind where they will resurface as her own sexual desires. She won't know why she can't stop fantasizing about having sex with you! Subliminal messages work like hypnosis and cannot be resisted. Because they are so powerful, the U.S. Government bans their use in advertisements to sell products to the unsuspecting public. Because of the "Freedom of Speech" act, Subliminals for private use are perfectly legal. Is it unfair?...Yes. But, if you're not seeking an advantage over your rivals, they already have an advantage over you. It's your secret to getting more women than you can handle!

## Stepford Slut

When my husband, Jake, came home and told me about our friends, Jenna and Steve, getting a divorce—I was floored. They were only married two years after us, and they always seemed to be a sweet and loving couple, and from what Jenna told me—the sex was always amazing. So, when the truth came out that Jenna cheated on him, and left Steve for another man—I was no longer friends with my former gal pal, and I was dead set on finding a quick bang for Steve to get back into the swing of things.

“Honey, I think he should relax, and focus on himself,” Jake said one night, while I was making dinner. “I think the last thing he needs is a little piece of ass—it might do him more harm than good.”

“Do you really think so?” I said, straddling my man of 15 years. While his hands moved down to my plump rump, he squeezed it as I felt his cock raging against my hot crotch. “I thought it might be fun to get him a hot, tight pussy. I think, if anything, it may be a stress *reliever*.” I knew how stiff Jake was getting, and while the water was boiling for the pasta, I knelt down and removed his languid pole—licking it nice and slow before engulfing my lips to his burgeoning head. My husband made sure to push my hair away while his eyes focused on my full cheeks stuffed with his man-meat.

Finally, after about ten minutes of a slow, deep cocksucking session, he juttied his cream down my throat—painting my tongue with his salty paste.

I love seeing him eat after he unloads his jizz either inside my sweet pussy, or down my throat, because he’s so ravenous and masculine, which makes me want him more.

“I think I’ve got it,” Jake said, after he finished his coffee.

“Come again?” I questioned, fixing my stockings.

“Maybe you should fuck Steve to get him out of the funk. I know how much he loves to watch your ass jiggle during the company marathons, and he’s admired your tits in a v-neck sweater. Not to mention you’re the perfect wife, and you’re one helluva fuck. I wouldn’t mind, either. I think it might be hot to watch you screw

him. From what I hear, that man has a monster cock.”

My panties were getting soaked just thinking about it, and when I agreed, I couldn’t help but diddle my clittle as Jake invited Steve for dinner. Just hearing the muffling of his voice on the other end of the phone made my juices churn, and when the date was set, I knew I had some planning to do.

Since Steve was coming over on Saturday, I made sure to prepare a delicious filet mignon dinner the night before, but, of course, as I was kneading and seasoning the meat, Jake had to have his way with me on the kitchen table—pounding his own meat into my tender flaps—letting my natural juices drench his log.

I made sure that when the bell rang at eight o’clock, I was dressed in my tightest, most revealing black dress. I wore a push-up bra that made my milky tits practically pour out of the silky fabric, and every time I bent down, my dewy cleft was inches away from his full lips.

He sat down, and was talking to Jake about the latest football game, and when I bent down to get the roasted red skinned potatoes from the oven, Steve’s voice cracked, and I knew he was going to burst any minute.

During the meal, I licked my chops as best I could, and I purposely let the juices run down my heaving cleavage. Finally, while we were eating our flan at dessert, I noticed a faint bead of sweat go from his forehead down to his chin, and it was then that I realized the poor guy was going to burst if I didn’t make a move.

Cleaning up the dishes, I saw Jake move to the corner of the kitchen, having the best seat in

the house for the impending smut show.

“Is everything okay? You seem a little tense, honey. I think you should blow off some steam,” I said, kneeling on his bulging cock. “Or better yet, how about I do that for you?”

I saw him look over at his friend who subtly winked, sat down, and removed his heavy cock from his pants.

When I was on my knees, I couldn’t get over how thick and long his prick was—and it was the perfect color pink, too! Lifting up my skirt a little, I first stuck my finger inside my steamy snatch and fed him my crystal cream while I gently lapped at his baloney pony.

I knew that my moaning on his rock-hard cock was vibrating through his body—so, when he took a fistful of my rich, auburn hair in his hands, I continued to deep throat him—engulfing his heft down my hollow throat.

“Jenna doesn’t know what she’s missing,” I said, looking up at him with a gaze. “A cock like this is one in a million, which is why it needs such a tight, giving pussy like mine,” I mumbled, sitting on top of him.

“Oh, fuck, baby,” I whimpered, only letting his head bump in slightly at my hot hole. “You’re so fucking big, you’re going to have to go slow. My pussy is going to grip that cock so fucking hard.”

With muffled stroking and tiny groans, Jake was heard in the corner saying: “Fuck yeah, it is, Steve. Her twat is like a vise-grip.”

Breathing into my mouth, Steve kissed me and gently probed me with his massive mast, allowing me to get used to his size until he was balls-deep in my wet pouch—stretching me like never before.

Grabbing on to my ass, he jiggled my cheeks while I played with my swollen pebble, and when I slightly leaned over to tickle his sac—I heard him lick his finger before plunging it into my pink pucker.

“Oh, yeah, you dirty little fucker!” I screamed, riding him harder and faster until I pinched my erect nipples—glossing his heft with lust liquid.

“That’s my girl, baby,” Steve moaned, as his cock was practically undulating.

Biting my lower lip in Jake’s direction, I whimpered to Steve: “See how fucking hot this is making my husband? He wants to see his wife get reamed by such a colossal cock like yours. I bet he would even want you to come inside me. Wouldn’t you, baby?” I said.

“Fuck! Fuck yes!” He said, his groans getting more guttural, and just as I tugged on Steve’s nuts gingerly, letting my nails barely graze his short and curlies—both men erupted at the same time, with Jake dousing his button-down, and Steve sending shivers to my snatch with his warm cock cream.

Steve has since moved on, and met a hot,

new girlfriend who loves fucking him multiple times a day. And as for Jake and I—well, we've never been better.

## Lesson in Anal 101

When James, my boyfriend, got a job working as an adjunct college professor, I was happy for him, since he felt accomplished that he found a job in his desired field, but I was scared more than anything, because James is so handsome, it's unnerving.

His hard, lean body is perfect, his eyes are seductive, his hair is thick and full, and his smile will soak any woman's panties. I knew that I was going to do a little more than a weekly blowjob to keep my man interested in me.

Now, don't get me wrong, I'm not homely by any means. I've been mistaken for different models constantly, but I am 34—not 24—and there is nothing I can do about that. I would fantasize about a hot, young pepper coming up to him and asking how she could get a better grade, and I would go absolutely nuts on him.

When he told me nothing was going on with any of the students, and I was being delusional, I didn't believe him, so I decided to take matters in my own hands.

I took off from work, and planned on playing a trick on my man. I bought a pair of the tightest jeans I could find that would make my rump look delicious and round, along with a cleavage baring top to show off my double-d's—but since my hair is naturally red and curly—I didn't want to give myself away, so I bought a sexy black bob, and painted my lips cherry red.

I was turning myself on as I walked down the hallway, and when I heard hoots and hollers from the frat boys as I strutted pass their classrooms, I was already getting soaked. However, knowing that James had no clue I was about to make a visit was what was getting my pussy pulsating the most.

I made sure to sit in the back, so that I wouldn't be much of a distraction and I could see how the girls reacted to my boyfriend, but when every girl that walked in was frumpy, wearing sweatpants and oversized sweat-shirts—I could've kicked myself for being so jealous. He was right—there was nothing going on with the girls, and I was silly for thinking he was cheating on me with one of them.

I was about to stand up and leave when James walked in and got right down to business, taking roll call.

"Miss, where do you think you're going?" He said, gruffly. "You just got here, stay a while and

relax. Maybe if you spent more time listening, then you wouldn't have to cram so much?"

He smiled, and I sat down, trying not to touch my denim-encased dud with my fingers, otherwise, I was positive I would've gotten caught and arrested.

After crossing and uncrossing my legs for an hour and half, I was desperate for a release. I was going to cut out early, when James dismissed the class.

"Miss, in the back. I'd like to speak to you for a second, if you don't mind."

Walking up to him, I was sure that he could see the wet spot forming, but more important than that, I thought he was going to scold me about being jealous.

I saw him close the door and slowly walk up to me, saying, "Missy, you're too much of a distraction in class. You can't just waltz in here and think you could make my cock hard with that filthy wet spot forming in your jeans, and the way you licked your full pout."

Holding onto his tenting rod, I jokingly said, "I'm sorry, teacher. I just wanted to get my lesson, just like everyone else."

"Mmmm...there is not everyone else. They're all good girls. You're the bad girl," he moaned, loving the feel of his staff in my palm. "I'm going to teach you how to become a teacher's pet."

Kissing passionately, he tenderly nipped at my neck—which he knows gets me hot—but before he could pull down my screaming tight

jeans, I knelt down and sloppily lapped at his raging cock—dousing my mouth with strands of saliva and surging pre-cum.

"Oh, shit, baby, I think you'll need to come to class more often. That pussy better be soaking wet when I get to it."

With the fast pace of his pre-cum flooding down my throat, I was afraid he was going to explode too soon, so I hopped up on the desk while James pulled my jeans to my knees.

Splaying my legs, he pulled my shiny petals apart until my pebble was throbbing on his tongue. I began shaking a little, and when he plowed one of his calloused fingers in my cooch—I spurted—creaming his entire mouth with my girl goo. As he came up to kiss me, I felt the head of his cock graze against my pussy, and at that point, I realized just how badly I wanted him to invade my scorching space.

I moved to doggie and pulled apart my pert asscheeks—wanting him to see how glossy he was making my cunt.

He leaned over and licked my musky mound, along with my craving crinkle, and as he stood up—his billowy helmet was burrowing its way into my hole. It always takes a few seconds for him to plow into my hole, since he is so huge, but once I felt his entire thickness probe deep inside my pussy—my whole body buckled.

"Oh, teach, you're so big!" I whimpered, getting into the role-playing. "You're stretching me so much with that hard, fat cock of yours! Ohhhh!"

He lifted up my legs a little in order to get a constricted plunge, but when I bent over, my pucker puffed up like a baked potato, and when he stopped and pulled out—I knew exactly what he was thinking when he asked me to wet his pole again.

"Be a good girl and slather it up one more time. I need to feel that tight asshole grab my cock, baby."

After a few more minutes of glossing his log, I got back on the desk on my back, holding my legs behind my head. I giggled a bit—knowing that the papers stuck to my back were the ones he had to grade later, but when his warm, wet wanker finally dove into my wrinkle, I exploded again—holding onto my mound and catching up my drippings as he was balls-deep inside my ass. He held onto my legs and pounded my round with gusto until I felt him slow down and kiss me—white-washing my walls with his boy batter.

I feel better now that I have nothing to worry about, but every once in a while, I like to visit him in class and pretend I'm the new girl in school, and without a doubt—I get in trouble.

# ON THE SET KATWOMAN XXX

By D. Cypher. Photos courtesy of Bluebird Films.

29362

Dylan Ryder looks like every comic book geeks wet dream come to life. Dressed from head to toe in skintight latex in her Katsuit—her huge breasts stretching the material until they practically burst out—she purrs her whip smart lines out before releasing the Jok-ker from his Gothard prison cell. It's day one of Bluebird Films's, *Katwoman XXX*—the follow-up to their smash success, *Batfxxx*. Screenwriter, Paul Chaplin—reprises his role as the lovable, yet sex crazed villain in the ominous and naughty hardcore thriller that will get cocks rock-hard, and cunts soaking wet.

First things first: Katwoman wants to spring the Jok-ker so they can work together on her plot for revenge. After teaming up with the Jok-ker's evil organization that is full of smoking hot chicks—they set out to screw as many people as possible, before Katwoman has to foil the Jok-ker's plans to poison the entire population with tainted milk. Sadly, she loses her one shot at extracting revenge in the process.

Moments away from shooting the first scene—Gemma Massey, Paul Chaplin, and Dylan Ryder can't wait for the action to start as the trio begin to suck furiously. As director, Nicholas Steele, wraps up his final batch of dialogue, Ryder asks: "Was that the last take?" He confirms it was.

"Good," she replies, "Because I am ready to fuck!"

Dylan spreads Massey's legs—exposing her gorgeous cunt to the camera before diving in tongue first. Soon, she is lapping away like a thirsty kitty—while Gemma's moans fill the whole studio. Chaplin's painted on smile seems to grow even wider, as Dylan and Massey go to down on his rod—taking turns deep-throating it while he reclines in his cell.

Instead, Dylan removes the crotch, and we have a sweet view of her shaved pink pussy. Before the director can call out the next position—Chaplin has Ryder bent over, and is plowing her juicy slit full of his rock-hard cock in reverse cowgirl. Gemma then leans in to kiss Dylan and suck her boobs—while Paul goes deep up inside Ryder for some serious snatch stretching. Soon, all three are fucking in a flurry of positions—with each hotter than the last. When the time is right, Chaplin blows his pearly white load in both of their open mouths, while

cocks tent watching the girls kiss it off. The next scene shows Anna Lovato and her cohort, Dale Dabone, breaking into a museum to steal the magic formula. Instead, they release a magic gas that transforms a statue into Andy San Dimas, and reveals that sexy curator, Jennifer Dark, is actually Wonder Woman. Lovato wastes no time working Dark out of her clothes, as the warrior unleashes his already hard tool. Meanwhile, DaBone unleashes his cock—and Egyptian princess, Andy San Dimas, is quick to lick it from balls to base— before pulling it into her pretty

mouth and making it disappear. Steele—no stranger to directing orgy style scenes—masterfully calls out to dueling camera

crews as the action moves forward. Lovato and Dark give their warrior an awesome double blowjob—each committing to a side of his thick prick.

When it's Anna and Jennifer's turn—

we watch as Lovato aggressively rides Dabbone's meaty tool in reverse cowgirl—while sexy Miss Dark kisses her, and plays with her tits. The ladies decide to switch after Anna's first noisy orgasm, and Jennifer rides him—while crime boss, Lovato, sits on his concealed face. Jennifer takes her cunt away from the warrior long enough for Anna to get a good lick, as the dynamic duo lay him on his back, while Anna rides him hard—relentless in the pursuit of her climax.

Finally, it's time for the pop shot that Steele is waiting for, as Dale wastes no time dropping a load on the beautiful faces of Jennifer and Andy—whom kiss it back and forth in a blissed out state.

The next morning, we are on the other side of the massive warehouse on a television News set with: Kagney Linn Karter, Natasha Marley, Bridgette B.,

and Paul Chaplin. Anchorwoman, Marley, interviews Miss B. who tells us that a war has broken out between super heroes and villains in Gothard. Soon, they are joined by the Jok-ker and Super Chick and—as the in studio cameras go to commercial—a wild sex orgy breaks out once again.

Ready to be fucked silly, Miss Karter immediately pulls out her breathtaking breasts, and Chaplin doesn't waste a minute by pulling his tool out of his purple pants, with Kagney sucking him hard. Bridgette decides it's time for her to get some cock in her mouth, and Kagney is happy to share. The pint-sized bombshell slides under Chaplin—gently sucking his balls into her mouth while Bridgette begins to bob her head back and forth—slurping his dick like a lollipop.

Somehow, the instructions reach the blissed out performers, and Kagney leans back to let Bridgette eat her gorgeous cunt, while Chaplin lies flat on his back and Natasha Marley climbs

over him—taking his rigid member in hand and slipping it into her sopping twat.

At last, Paul is ready to fuck the stunningly beautiful, Kagney Linn Karter. Only shreds of her costume remain as she climbs on top of Chaplin, and slots his turgid rod into her slick, pink groove—slipping down on it and impaling herself. As the look on her face reads that she is lost in ecstasy; soon, she is riding him in earnest—her hips thrusting up and down as she grinds his meat into just the right spot to bring herself maximum pleasure.

Kagney's moans grow higher, with her pitch more desperate. The insides of her creamy thighs start to tremble in anticipation, as thin beads of sweat shimmer on her forehead. Paul grabs her firm hips and keeps pumping away—bringing her ever closer. Letting out a roar that seems to bring her back from the edge of oblivion, Chaplin gives her one last violent thrust. It does the trick—bringing Kagney to a raging orgasm as she collapses onto his cock—crying out her glorious song of release, and squirting her hot, sticky, girl juice all over his balls.

The girls gather around her

and begin sucking her breasts, as Paul pulls out and jerks into her mouth. Just when he starts to drop his load on bubblegum pink tongue—he turns and shoots it all over her glorious rack—letting Natasha and Bridgette

eat it off Kagney's luscious mounds. Well, it looks like Bluebird Films has done it again! Hats off to: Director, Nicholas Steele, writer/ performer, Paul Chaplin, and of course, the pretty kitty herself, Dylan Ryder—for unleashing her white-hot sexuality. All in all, *Katwoman XXX* is a mind-blowing smut masterpiece—with a future headed toward a hardcore trilogy.

The throes of passion could be heard from downstairs, but when Sabby finds his wife, Shanis, with a pussyful of Zenza's cock, his cock grows harder—desperately aching for any of her holes.

"Mmmm...hi, honey! I couldn't wait till you got home from work," she says, stuttering with Zenza's body banging. "I was craving cock, and Zenza was willing to feed me some."

"Mmm...so will I," Sabby says, tracing his burgeoning head against her full mouth. Watching his throbbing staff disappear in her wet mouth gets him even harder, and when the pre-cum starts to incessantly ooze down her throat, he knows she's ready as the men switch positions.

"Hey, man, watch her crinkle puff up when she's turned on," Sabby says to Zenza. "You have to feel how tight and warm her ass is before she bursts."

While he settles onto the couch, she slowly glides down his enormous pole, as he fills up her backdoor with his man-meat. Sucking onto her husband a bit more, she starts to gush—drenching her juices down her mound and onto Zenza's pole.

"Oh, baby, I need to get inside there," Sabby musters, and with her ass filled with cock already, Shanis's husband dives his dick into her scorching snatch—feeling her walls trap his piece immediately.

After minutes of a dual drilling, both men begin to shake from the session and paint Shanis's face with a frothy mixture of their salty serum.

"You're a very lucky man, Sabby," Zenza says, breathlessly. "Any man would be lucky to be married to such a horny hottie."

**W**hen my friend, Kara, asked me to audition with her for the next hottest reality show, I was skeptical. I really have nothing to offer, considering I'm quiet, and have never been in a fight—verbal or physical—but according to Kara, it doesn't matter.

"You're hot, and if anything, you're going to get the girls in the house jealous."

I pondered it, and thought about the risks, but I figured, "Fuck it. I don't think I'll ever run for office, so why not?"

After four grueling hours of auditions, 100 hopefuls waited out in a hotel lobby waiting for our names to be called. I honestly didn't expect my name to be called, but when the producer yelled out, "Carrie J." and "Kara M." I looked at my friend, flabbergasted that we were picked for the show.

The next step was to get to know the other members, and to be perfectly frank—I was not impressed. The other girl was a straight

piercing blue eyes. We all exchanged our pleasantries, and oddly enough, I was getting more and more turned on at the prospect of fucking Eric. I knew that wasn't the basis of the show, but it happens on all of the other reality shows, why not this one?

The following week, we all met in the house for the first day of filming. I'm well aware that everything is on camera, but along with my suitcase filled with clothes for the four weeks of filming, was also my "naughty bag" which is always chock full of sex toys, lubes, dirty magazines, the filthiest porn one can think of, and naked pictures of myself that I like to give out when I'm in the mood. Thankfully, it wasn't checked on camera, but I made sure to hide the bag in the back of the closet in my room, which, by the way, looked like it was splattered with Pepto Bismol.

Us three girls were in the Pink Room and the men were in the Blue Room, yet, nobody in the house knew the basis of the show. After a day, I asked the head producer and she said, "Just go and do

up bitch with pin-straight bleach blonde hair, huge, fake tits and collagen filled lips. Her name was Amber, and all she kept bragging about was her stripping career, and how she was working her way up to meeting a "Hot, young businessman" so she could sit at home and work on her nails. She gave Kara and I a cold greeting and went back to texting on her phone.

The three guys on the other hand were insanely hot. Tall, tan, and their bodies were sick! My pussy practically melted when I realized I was stuck in a house with them. Nick introduced himself first, and from what the producer said, he was more like me—quiet, and a bit reserved, but incredibly hot. Eric was the tallest one—about 6'4", and he was the one that would play the token "hot guy" who gets all the girls. Lastly, there was Brad who was most like Kara—in between total man slut and down to earth, and of course, very handsome with

your thing. That's all I need from all of you." She wouldn't even tell me what station it was on, but we were allowed to curse, and even walk around naked if the mood struck.

A few days of being in the house, Amber warmed up to us, and while we were still being filmed, I was finding myself growing more and more attracted to her. Eric wasn't making any moves on me, even though I would walk past his door naked and dripping wet from a shower.

It's true what reality stars say about not knowing the cameras are there after a while, but after my third attempt of trying to get in Eric's pants, I gave up, and went to my closet to find my bag 'o fun. When I noticed it wasn't in the closet, I was fuming, knowing that someone took it—and was even more grossed out when I came to realization that someone was most likely using my sex toys.

"Okay, guys!" I screamed, this time wearing a baby doll, with a

My new friend walked me out of the room, and in true reality show fashion, it didn't stop my screaming at the boys while exiting.

My heart was palpating and besides the wetness forming on my skin, was also beads of sweat that were pouring down my face as Amber and I were both frantically looking for the bag. "All of my sex stuff was in there, Amber," I whispered, knowing the cameras would catch my every word. "If I don't find this bag, I'm fucked."

She winked, rubbed my back and said we would find it. Right then, I felt badly for being kind of mean to her in the beginning, and decided to apologize to her then.

"I know how you can make it up to me," she said, pulling my wet strands away from my face.

wet spot framing my pert nipples and pink areolas. "Who took my goody bag? Come on, someone's gotta 'fess up, because I need this fucking bag, guys!"

"Calm down! What's so important about that stupid bag anyway?" Nick said, sitting at the table.

"Yeah, and if you're this upset about it, I would love to know what's in it." Eric smirked, flexing his muscles and winking at the camera.

"Then it was you, Eric! You wouldn't wink if you didn't have anything to hide, you asshole!" I said, getting in his face.

"Whoa, whoa! Relax, Carrie," Amber said, stroking my hair. "Maybe you misplaced it. I'll help you find it."

"Oh yeah? How?" I said, pulling down her comfy shorts so I could feel her steamy hot pocket.

While her hands took off my dress, she cupped my tits and began kissing me—rolling her pink nubs with her fingers as I continually moaned in her mouth. When the pads of my fingers reached her pussy, I was pleasantly surprised that she was already drenched—screaming in my mouth as I dove my pointers deeper and deeper until I was hitting her cervix.

"Are you sure you didn't take it?" I spurred

her on, licking her earlobes, hoping to get her to confess. "You seem like a really dirty girl—a total slut who needs to get fucked all the time." "No, fuck! Oh, baby, I didn't take it, but I may need more of your fingers because I'm going to cum all over you," she moaned, oozing her cream all over my fingers. Feeding her the rest of her liquid luster from my fingers, I whispered, "I didn't think so, but we're still on the hunt for this bag. When we realized that the bag definitely wasn't in the room, the cameras followed us as we walked out the door, hearing a commotion with hoots and hollers from the back deck. Amber and I looked at each other and saw all the boys standing around, but we couldn't make out what was going on, until we pushed them away, and there was Kara—fuck-ing herself silly with my favorite red dildo with the studs on the top to play with the clit. "Bitch, if you wanted to play with my toys, just say so," I said, kneeling down to probe the toy in further—knowing just how deep her pussy is—while Amber stood beside her to lick her pillowy tits. "Yeah, honey, we were going nuts looking for this thing," Amber said, her mouth muffled with tittie meat. "Oh, yeah, girls, you're making my cock so hard," Eric said, rubbing the bulge forming in his pants. Kara winked and sat up—moving to doggie so I could still fuck her with the toy. Removing his cock from his pants, I soon realized why he was such a man whore—his mast was massive, and watching Kara slurp on it like a hungry slut was getting me even hotter, so I told Nick to "Get over

when her palm stroked her mound harder, she burst with her visible juices raining down both her thighs, and Eric's.

Eric was so close that he walked over to the circle where the other men were, as us girls got in the middle—stroking their cocks with gusto. It didn't take long for first Eric to burst, then Brad, and finally Nick—all of them seconds apart and painting our faces with a heavy load of their frothy cum—until Amber, Kara, and I were completely cleansed with boy batter. Kara turned to me to give me a jizz-filled kiss as an apology for stealing my goodie bag, and I then, turned to Amber to apologize again for having my doubts about how nice she really is—on and off camera.

As we all winked for the camera, we spent the next few weeks fucking and sucking each other silly, and even though the pilot was "too risqué for even cable television," we still have monthly reunions. We all figured that if reality tv isn't in our cards, porn might be a better fit. Silicone Valley—look out!

here," and with a steady hand on the vibrator, I managed to unleash my housemate's hose and lap at his thickness—letting it soak in my saliva.

Brad, however, seemed to be in a bit of a daze, and when Amber motioned for him, she managed to suck his rod, too—until all three of us girls were being filmed in a nasty circle of cock.

Hearing the moans and groans of the men were turning all of us on, and when Kara finally squirted a deluge of her secretion across the room, I knew it was time for me to have some of Nick's cock balls-deep inside me.

Not even saying a word, I removed the toy and let my girl take a few swipes at it, before I placed Nick on the ground. I could barely tease his head before he plunged me down on his rod—filling my tight hole with his thick man-meat.

"Fuck, babe! You're huge! Had I known, I would've fucked you earlier. I can't believe I wanted to fuck Eric this whole time, when it's you with the hulking cock!"

I looked over my shoulder to see Amber's face almost embedded in my ass while she was getting pounded from behind.

"Go ahead, lick it. Lick that tight asshole for me," I spurred on, and with that, soon, her tongue was thrashing against my crinkle—opening it up with her wet tongue.

I kept hearing Kara's pleasure screams, and when I looked up—her tits were flapping in the air while bouncing on Eric's cock in reverse cowgirl.

Smelling the musky air of: Sex, perfume, cologne, and soapy skin—I couldn't get over how we were all getting fucked hard, and we didn't care that cameras were circling around us. I figured that since we were given carte blanche to go crazy, we were going to go for it—and that we did.

I started to shake, and when I felt my lust liquid pour out, Nick whispered, "Good girl," as Amber licked up whatever was on my thighs and my new man's hard rod.

Pretty soon, Amber's moans turned into deep groans, and she came so hard that she shot Brad's cock from her cooch—with I returning the favor of slathering up her girl goo with my tongue. Finally, we looked at Kara as our men's cocks were in our mouths—with Kara and I wanting the men to blow their wads on our faces as soon as Kara exploded, and

These Suitemate sluts  
take cramming to a  
naughty new level...

"It was my turn for the shower!" Amber pouted, standing naked by the bathroom door.

Anna moves closer to her suitemate and whispers, "I'm sorry, babe. Yvonne is in there already, but I think I can find a way to clean you up."

As the two embrace, Yvonne steps out of the shower, watching as Anna and Amber are finger deep in each other's wet pussies, while hers starts to spill its honey nectar down her thighs.

Joining in, she takes Anna's ass and begins lapping at her pink pucker like a hungry kitty. Hearing her moan and whimper gets Yvonne even more soaked, and when Amber's gentle moans become full-on growls from Anna's hurricane tongue—she gushes—surging her liquid luster down her gal pal's throat.

Seeing Yvonne's tight crinkle wink at her, Amber reaches for her heavy dildo and sops up her juices with the toy—glossing it for her backdoor banging.

Inch by inch the toy disappears—and when it's finally balls-deep inside her, Yvonne explodes—surging her crystal cream on her friend's hand—all the way down the floor. "I'm going to hop in the shower," Amber finally says. "Anyone care to join me?"

EXXXOTICA New Jersey staked its claim as the most popular love and sex fan expo in the nation with a record-setting weekend recently in Edison, NJ. Victory Tradeshow Management—the producers of the touring show—reported that over 28,000 attended the expo, which ran at the New Jersey Convention and Expo Center in November. All three days drew a steady stream of curious women, men and couples, who indulged in EXXXOTICA's diverse lineup of stage shows, seminars, exhibitors, fans, and celebrities.

"Year after year, people from the Tri-State metropolitan area and the East Coast welcome our expo," stated J. Handy, Director of

Victory Tradeshow Management. "We took the show to the next level this year, with an incredible lineup of stars, events, exhibitors, shows, seminars, and more. The positive consumer response was unprecedented. EXXXOTICA is more than the nation's most popular love and sex expo — it's one of the most popular expos of any nature. With a commitment to quality and high production values, we expect increasing success every year."

EXXXOTICA New Jersey is the 13th show produced by the love and sex expo. The first three expos in 2011 drew over 65,000 people, while the New Jersey expo topped off a record setting year for

the traveling adult expo's record-setting year, as many as 100,000 people were in attendance.

EXXXOTICA New Jersey made national headlines in 2008. When the show was set to debut in the Northern New Jersey city of Secaucus, four days before its opening, city officials—led by the city's former mayor Dennis Elwell (who was recently found guilty of bribery in an unrelated case) and management from the venue, abruptly canceled the event, forcing a last minute location change down the New Jersey Turnpike. For the past four years, EXXXOTICA New Jersey has instead made Edison, N.J. its home with four

successful shows in the books. The lawsuit with the town of Secaucus over the cancelation was recently settled (while additional cases against the convention center there, among others, remains in litigation) once again drawing the expo into the headlines.

The 2011 expo in Edison began with Friday's Ladies Free Night. Lines of women listened to seminars on relationships, cheered for MEN, an all male revue and host of other shows on the AEBN Entertainment Stage—and shopped at erotic themed vendors. Visual treats included aerial acrobatics from adult superstars

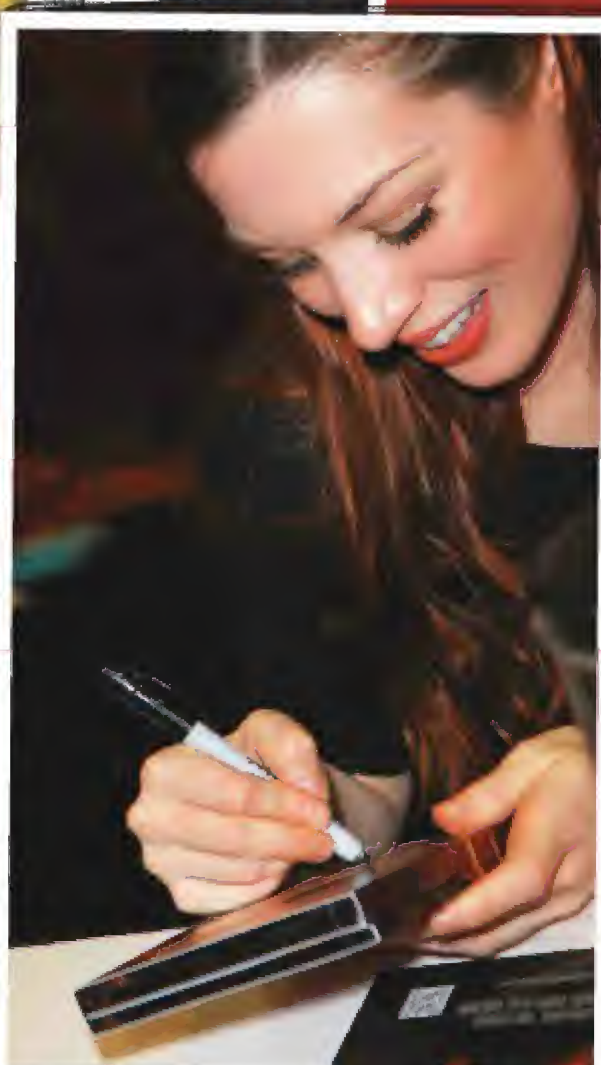

Belladonna and Stoya, as well as burlesque shows from Pretty Things Peep Show, Rubberdoll, Rigor Mortis Revue, and more.

Additional highlights of the show included the appearance of Chyna, mainstream wrestling champion and star of "Celebrity Rehab with Dr. Drew," and the first East Coast public appearance by Seymore Butts in close to a decade. Butts—the legendary adult performer and star of the popular Showtime reality series, "Family Business"—promoted his new and critically acclaimed book, *Rock Her World: The Sex Guide for the Modern Man*, with a seminar. Over 150 more celebrities drew fans by the thousands to EXXXOTICA, creating an erotic frenzy.

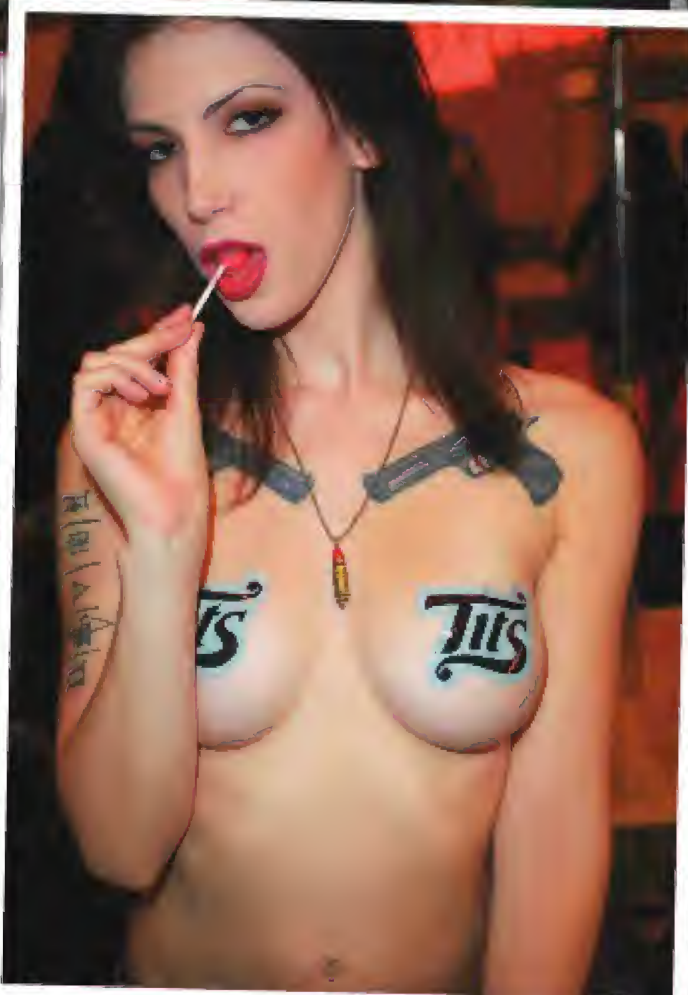

Ecstatic fans dropped accolades about the show to anyone who would listen. Carol Johnson said, "Had a great time! Can't wait until next year! Thanks for a great event!" "I had so much fun!" added Sarah B. "I had a blast with my two friends [and] can't wait for next year!" Bill Marsh observed, "I can't believe it. Great job... See you all next year!"

Exhibitors reaped the rewards of the increased attendance. Dan Loevy—content manager for expo sponsor *HotMovies.com* and *Clips.com*, said, "Each year, EXXXOTICA New Jersey raises the bar and exceeds our expectations, and this year was no exceptions! The EXXXOTICA crew went above and beyond in their quest to help us get our brand out to fans, so much so, the HotMovies and EXXXOTICA names practically go hand in hand. We couldn't ask for a better bunch of guys and gals to work with or a better show to sponsor." Loevy continued, "The crowds were huge! Everything ran like clockwork, giving us the freedom to focus our energies on showing the fans a great time and allowing us the ability to solidify existing relationships with other

players in the industry, as well as create new relationships within the community."

Of course, the main reason people descend upon the Central New Jersey suburbs for the show are the porn stars, and the place to catch them at EXXOTICA was the CLUB Spotlight booth. Over 25 stars appeared at the hardcore magazine sponsored booth: Riley Steele, Stoya, Alexis Texas, Chyna, Lexi Belle, Allie Haze, Lisa Ann, Gina Lynn, Teagan Presley, Monique Alexander, Kagney Linn Karter, Asa Akira, Gianna Michaels, Tanya Tate, Sunny Leone, Seymore Butts, Mr. Pete, Savanna Samson, Ann Marie Rios, Courtney Cummz, Nyomi Banxxx, Andy San Dimas and Ann Marie Rios are just some of the A-List XXX stars who spent time meeting fans, taking pics, and taking part in panels on the main stage.

Daniel Adams, Editor-in-Chief of CLUB, said, "Thank you to all of the stars and the fans that made CLUB Spotlight the must-see destination on the show floor. Over 25 stars and thousands of fans were at the booth, and it was definitely our strongest and sexiest lineup ever, making 2011's, EXXOTICA New Jersey the best show we've ever been involved in. Thank you once again."

The fun didn't end at the con-

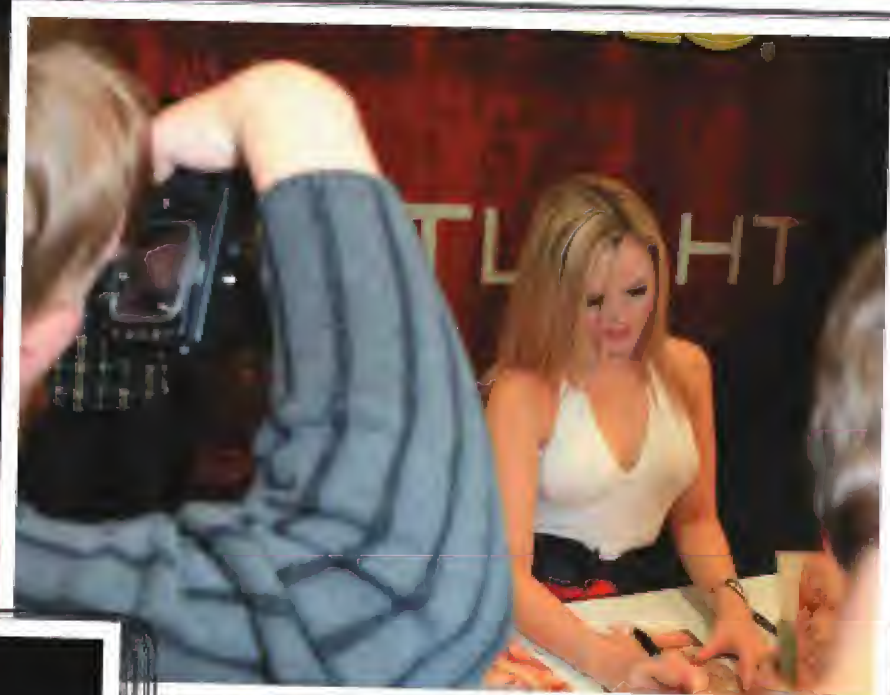

vention center, though, as the nights of EXXXOTICA heated up on both sides of the Hudson River. Sapphire Gentlemen's Club in NYC featured two nights of star-studded line-ups on their stage, with both hosted by Chyna. Friday featured Mary Carey, Kagney Linn Karter and Melanie Rios, and Saturday had Allie Haze, Kirsten Price, Breanne Benson, and Courtney Cummmz doing their thing.

The expo's official hotel turned into an after-hours destination as it hosted a trio of events all weekend. Friday night was the "Back to Jerzey" Official VIP After Party, hosted by Gianna Michaels and Ron Jeremy, with DJ Licious spinning the tunes. Michaels, cruised up to the hotel

in one of the DeLoreans from the *Back to the Future* movies with a Marty McFly lookalike, which was captured by a sea of media. Saturday night, an "Alan" lookalike greeted fans and VIPs who attended *The Hangover XXX* After Party hosted by Digital Playground contract star, Riley Steele, and the legendary Lisa Ann. Select party-goers were handed

cameras to catch the evening's events (in case steps needed to be retraced), and popular NJ band, The Replicants cranked out the tunes for the sold out crowd containing a who's who of the adult industry. Sunday night, Joe Trivia presented "Are You Smarter Than a Porn Star?" where hostesses Tasha Reign and Kagney Linn Karter of LA Direct Models showed off their knowledge. Then, a plethora of stars took part in Porn Star Karaoke for the show's official wrap party concluding the over 36 hours of non-stop entertainment and parties composing the east coast expo.

When all was said and done, this year's version of EXXXOTICA New Jersey showed that Jersey is definitely the nation's dirtiest state, and the outlook for 2012 looks even stronger with new locations being added around the country for the traveling love and sex expo. "I'll be right out in just a minute! I'm just...cleaning up in here!" Zuzana screams out her bathroom door to her date. Still trying to figure out what dress she wants to wear, her nipples peak at attention—begging to be suckled with a wet tongue.

Frustrated, nervous, and horny—she sits down and looks at the wet spot forming on her lingerie bottom and begins stroking her swollen nubbin until bawdy beads form around her mound.

"Fuck, I don't want him to wait too long, but I am so fucking horny," she says—taking her trusty toy and thrusting it in slowly, until her quaking becomes so strong that it rattles the walls.

"I think that did the trick," she says, cleaning up her girl goo from the mast. "He's a lucky guy to be out with such an open slut like me."

# FAYE REAGAN

**T**his red-hot ginger started working as Faye Valentine, but soon changed that to her current nom de porn of Faye Reagan. With her fresh, lush body topped by perfect (and natural!) 34C breasts—red hair and freckles give Reagan the appearance of a sweet, innocent girl next door. However, those looks are deceiving, because this sexpot likes it rough, has sexual fantasies too filthy to talk about, and gets turned on by dirty talk. We sat down with this hot, young starlet, and asked her turn up the filthy speech, so we could all get turned on.

**Faye, how did you get involved in the adult industry?**

I was at a wedding – not mine – and there was a driver there from one of the adult agencies who approached me about getting into this business. He thought I'd be really good. My boyfriend at the time thought I should try it, and the company I was working for had just gone bankrupt, so I ended up going with it. Then, I loved it and I ended up staying; and that boyfriend and I broke up, which was a good thing.

**Did you have much sexual experience?**

I didn't have very much experience at all before I got in. I was only 18.

I had a little bit of experience with girls, but it was just curiosity, and my first agent had me working mostly with guys, [so] I thought that's what I had to do. Then, I switched agents and really had the chance to discover the joys of girls, and now I work regularly with both guys and girls. The first time I was really with another woman was with a married couple for *Couples Seduce Teens*, and that was okay, but it wasn't a one-on-one with a girl. Then, I worked in a scene with Memphis Monroe, and that was nice, but not

brehtaking. Then, my new agent booked me with girls who were really into girls, and that's when I started to really enjoy it. I have more respect for a girl who won't work with other women, than someone who does it for the money and doesn't really enjoy it.

**What do you like about working with girls?**

Sex with a guy and sex with a girl are completely different. I'm very submissive when it comes to guys, and with girls, it's more on an equal level, and it's usually more passionate and loving in a different kind of way. I love the softness of a girl, and girls have fingernails that can stroke you and caress

you. Even the smell of girls and their cascading hair are wonderful; it's a completely different experience. Not that one is better than the other, but they're two very good experiences. There's a ton of girls I've worked with that I really liked, and that are sexual.

**Who are some of your favorite guys to work with?**

Dane Cross is my boyfriend, and I always love working with him because he knows what I like. I'm really excited about working with guys now, and I've loved working with Scott Nails and Mr. Pete. They're both really good performers—and we've had some amazing scenes. I've worked with Danny

Mountain and Aaron Wilcox, and they were fun. Manuel (Ferrara) is great, too.

**While you work in the sex industry, do you still like to masturbate?**

I do—very much. Sometimes, I just want to be by myself. For the most part I like to be by myself, and I don't tell what I like to think about. The things that I think about in my head are really extreme, and I wouldn't share them with anyone. I have a toy box at home filled with 30 or 40 toys, but I have one toy in my nightstand that's pretty much the only thing I ever use, and it's a really strong vibrator. Ever since I discovered that—no other toy matches up to it.

**What excites you?**

I'm very subservient. Working with guys, I like to give them whatever they're interested in and that turns me on. Sexually, I like rough sex. I like it really rough, but not in a demeaning way. I like everything that I'm not supposed to do. Guys are always talking about their dick size, and for me, it's not the dick size that impresses, it's what you say to me. If you're a good dirty talker, then that's how I'll cum the best.

**Is there anything sexual you do in your personal life that you haven't done on film...yet?**

Anal. I haven't done anything anal on camera at all, except maybe a finger. At home, I have done anal and I'm liking it more and more. I like being stretched. I can take girth much better than I can take length, [and] I like thickness. My pussy is pretty strong. I do kegel exercises a lot, and sometimes, the muscle contractions have pushed out my boyfriend's dick when I've cum. We've

also tried some more unusual things that I can't really talk about, because they're pretty taboo in general. I'm not a vanilla sex kind of girl!

**Do you enjoy working in groups?**

I do, especially because the sex is often over the top when you're doing blowbangs or orgies. I did a movie for Vouyer Media called *The Gauntlet*, where you go from room to room, and have a different sexual experience in each room. I think I had sex with eight guys that day, and I swallowed around 24 loads. The only girl/girl scene in that movie was me and Rebeca Linares—and I had a huge insane crush on her, and I really liked that because she dominated me. I'd love to do something like that again, but with all my favorite guys. I like extreme sex, and having it with guys I pick would be a dream.

**Tell us about a Faye Reagan blowjob.**

I really enjoy giving blowjobs actually, because I like to see guys' cum. that's a huge turn-on for me. I deep throat pretty well, and I'm pretty proud of that. I'll do anything that the guy's into. I'm very, very sloppy with a lot of spit, [and I always] suck the balls. I like to be rough if that's what they want, with my eyes watering at the end of it, and I prefer to swallow. If I'm saying, 'Give it to me on my face,' I'm really turned on and in my most sexual mood, because normally, I don't like to get it in my eyes. In the heat of passion, I'll get overly sexual when it explodes out of me, and I'll do the craziest things.

**Are you able to squirt?**

I do sometimes, but generally, girls can't do it for me, and I can't do it myself. Certain guys know how to work their fingers like Mr. Pete [whom] has made me squirt, and so has my boyfriend, Dane Cross. Dane is the only guy who's made me squirt while fucking me, but I really like getting fingered, and some guys know how to do that.

**What type of sex scene do you prefer?**

I'm not really into romantic, slow, sensual sex. I really like high-energy rough sex—fast, hard, and aggressive is best for me.

**Have you learned anything new from working in this industry?**

I learned everything as I went along. It would have been nice to get some advice in the beginning, because to this day, I still struggle sometimes with making decisions and trusting people, because I've been let down too many times. When I got into porn, I didn't know anything, and it's all been a learning experience

**Tell us something about yourself that isn't common knowledge and would surprise us.**

I was a theater kid in school. I loved drama and the stage, and I love performing. I'd like to do more feature movies, because it actually turns me on more developing a character and doing dialogue. I love role-playing and playing characters.

**Do you dance in clubs?**

I'm shy in that respect, so it's something that's difficult for me. I can have sex in front of a camera, but being up on stage alone and dancing is terrifying for me. I think feature dancing would be different, so I'd like to try it at some point. I've thought about taking classes, because maybe I'll have more confidence, and I love doing anything that gets my name out there and lets people know who I am.

# BRIDGETTE

Pulling on the bright yellow string bikini, Bridgette's pussy starts to melt—creating a tiny wet spot in the crotch.

"Mmm...I don't know why I even bother to wear this thing," she says, pulling the flimsy panty to the side. "I'm afraid of water."

Not leaving the locker room, her eyes focus on the bright blue tile—capturing the essence of the beach from indoors, while her hands dip into her dewy pool and swim in her juices.

"Oh, yeah! I don't even need to get in the water, I'm already soaking wet," Bridgette whimpers in doggie—plunging her one digit in her horny hole, while the pads of her thumb tap against her swollen nubbin."

"I'm even getting sweaty! I'm gonna burst right now if I keep up this pace," she says, frigging her pearl until her crystal cream rains down her thighs.

"Mmmm...who needs to jump in the water to get wet? My dirty mind and nimble fingers do the job just fine."

# SIMONY & PEACHES

Although on opposite ends of the pool—Peaches noticed the wet spot around Simony's perfect C cups, and with every jiggle of her pert titties, Peaches wanted to suckle on her growing nipples and tender areola.

"Excuse me, miss, but you may want to think about getting a new shirt," Peaches said, seductively, pulling down her own bikini top. "Your nipples are clearly showing."

Winking, Simony whispers, "Thanks for noticing. I could tell that your plump lips want to taste them."

Peaches pulls down the damp cloth and begins to lick the tender pebbles, and when her mouth his full of tit, Simony plunges her fingers in Peaches soaking snatch—gently squeezing her billowy button.

As both fall to the slippery ground, Simony reaches into her beach bag and grabs two massive dildos—feeding one to her new friend, while Simony probes one slowly into Peaches's tight tunnel.

"I want you to gloss this entire toy with your juices, you dirty, little slut!" Simony barks, as Peaches's whimpers echo through the toy, and when the final flow of her lady luster drenches the mast—Simony licks the piece and places it back in her bag.

"Come up to my room later," Simony says, licking her pouty chops. "I'm sure you'll find more about me there."

*When Emma dances for her sugar daddy, she makes sure to make it worth his while...*

# EMMA MAE

A blonde woman with long, wavy hair is lying on her side on a green rug with a complex orange and black floral pattern. She is looking towards the camera with a slight smile. She has a small silver ring in her lower lip and a thin silver bracelet on her right wrist. Her right hand is resting on her hip, and her left hand is near her chest. The lighting is soft, highlighting her skin.

*A pulsating

"Yeah, you like it when I move my ass like this, don't you, baby?" Emma says, swaying her hips back and forth—feeling her cheeks bounce with every beat.

Looking over her shoulder, she smiles when his throbbing cock is in his hands—while he strokes to her slow striptease.

Up against the wall, Emma spreads her pert ass apart—displaying her pulsating pussy.

"Fuck, girl, did you know that your piercing is thrumming?" Her man musters, feeling his man-meat get harder in his palm.

"Oh yeah, it feels so good when your tongue lightly touches it, too. Just like this," she groans, gently pressing on the silver jewelry.

As the cooze cream rains down Emma's legs, a jet of her boy toy's thick jizz sprinkles through the air, landing on the back of her thigh.

"Mmmm..." she says, scooping it up with her fingers. "I love your little surprises."

Now it's Frank turn to find out why Jasmine is dubbed, "College Class Slut."

# JASMINE & FRANK

28995

Strutting out the classroom door, Jasmine watches as Frank follows her—with his eyes glued to her high ass in the plaid skirt. Finally, when the two enter the empty lounge, Frank doesn't miss a beat and pulls her closely—his hand planted on her asscheek.

"Well, I guess what they say is true," Frank mumbles. "Jasmine's ass is the tightest you'll ever feel."

Zippering down Frank's pants to release his heavy hose in Jasmine's palm, she whispers, "Feel this—it's even tighter, and it'll keep you warm." The nasty nympho says, placing his fingers on her torrid twat.

Giving her a few plunges deep inside her velvety walls, Jasmine wails—creaming his fingers with her girl gash, but when she gets on her knees to inhale his rod—it's only a matter of minutes before the duo's break is up. So, when the final drippings of her saliva fall to the floor, Frank sits down on the couch, as Jasmine slides on top of him.

Feeling the pressure of his thickness penetrate her constricted canal, he begins to lose it, as blasts of his boy batter stream into her tender pink.

"Thanks, baby," Jasmine chuckles, licking up the rest of his jizz from her cooch. "I hope we get to study again next semester."

*Taking a  
fuck break  
always gets  
the blood  
flowing...*

*Jasmine's nasty reputation gets her  
more cock than good grades...*

**Frank's focus  
isn't on his  
college exam,  
but Jasmine's  
warm, wet  
pussy...**
